CHAMP CLARK TO SPEAK IN STANFORD

SPLENDID COURSE OF FIVE NUMBERS SECURED BY LOCAL LYCEUM CLUB.

The classiest course of entertainers ever brought to Stanford has just been secured for the coming fall and winter season by the Stanford Lyceum Club, which has just been organized here by Messrs. J. W. Ireland, Hays Foster, Welden Rochester, and Shelton Sanitay. A program of five numbers will be given, at intervals of a month apart, the first attraction of which will be a lecture by Hon. Champ Clark, Speaker of the National House of Representatives and one of the foremost American statesmen of today. The other numbers are Reno, the great magician and three musical events which are of the highest class. Season tickets to the entire five numbers, including Champ Clark are to be sold at \$2 each, which makes the price of admission average only 40 cents per performance. However an admission fee of \$1 will be charged to the Champ Clark on entertainment to those who do not buy season tickets. Holders of season tickets will be given the privilege of having their seats reserved for all five numbers at the time of purchase, if they so desire.

The local Lyceum Club has contracted for the Redpath Lyceum Bureau for these high-class numbers. Press and pulp throughout the country testify to the merit of the courses provided by this association, so that the people of Stanford, Lincoln county and this section of the state may feel assured that they will have the very best entertainers provided for them. Already a large number of season tickets are being booked by the members of the local club, and an active canvass will soon be inaugurated.

If ever a man was equipped for public service that man is Champ Clark. He is magnificent physically, standing as he does tall erect and athletic. He is magnificent mentally, and with his wonderful knowledge of history, of law and of men, he holds a record for oratory and debate, that few equals and none surpasses. Not only is Mr. Clark well equipped for public service and public usefulness, but he holds the record as having used that equipment to a splendid advantage. He has classic diction and in his debate is eloquent.

As leader of the minority in Congress, few men in the history of the world have equaled him. Some of his speeches have been compared with those of Daniel Webster. His speech on the Cuban question was copied in 25 papers in France alone. As an orator and congressman Clark has brought his name to the front and has secured a place in the history of the world. He has made himself one of the best advertised states in the United States. Clark is too well known to need further commendation. His coming will be an event to the people of Stanford.

Reno The Magician
Reno, the magician, has been upon the stage for two years. He has traveled all over the world, including India, Africa and Egypt, studying the magic of those lands. He carries with him a magic wand and a magic ring, and he has a magic power of his own. He has a magic power of his own. He has a magic power of his own.

his ability to adapt his verse and song to fit any occasion, or any mood of his listeners. In addition to their vocal work they will perform with violin and cello.

Musical Favorites
For versatility The Musical Favorites, another number on this forthcoming course, have few equals. They will play upon the saxophone, violin, piano, violin, cello, three banjos and three mandolins, while Mr. Arthur Love still further varies the program with his poems and readings. The company comprises four people, Arthur Love, Lena I. Love, George L. McNeary and Nina McNeary. Mr. Love for years gave an entire evening's program himself in vocal and instrumental music and humorous selections, many of them being his own composition.

The Orchestral Entertainers
The Orchestral Entertainers are another versatile company on this program. This company is composed of four young ladies. The instruments which they are to use are: The cornet, flute, violin, cello and piano. Their program consists of instrumental solos, duets and orchestral numbers and ensemble vocal music is rendered in conjunction with the orchestral numbers. Humorous readings and whistling solos are also features of the evening.

HUSTONVILLE

Mr. John S. Smith the efficient overseer of the county road on Green river valley from Pinelick Creek is doing the best of road repairing that has been done in the West End of this county in ten years. He deserves to be county road supervisor then we would have good roads.

Late news from the South is that our Southpaw warrior Milton McCormack of the South Atlantic League pitched a no hit game last week and the entire League is wild over his work.

The Lincoln county Medical Society met here Tuesday in the parlors of the Weatherford Hotel with an average attendance.

The Masonic fraternity had an elegant banquet in Alcorn's Opera House on Saturday night last with music and oratorical efforts galore.

Heavy frosts for the past few days are supposed to have about destroyed what was left of the smaller fruits, apples and grapes however are not badly damaged yet.

The tobacco crop has not been much affected in the West End. The prices here have been such that at least fifty per cent of them are so discouraged that they will not touch tobacco crop this spring. The fact of so little tobacco being raised is a great loss to the county.

The many friends of the late Mr. D. A. Ashby a well and truly known former resident, young man of the West End of Lincoln county, are glad to hear of his death. He was a well known resident of the county and was a well known resident of the county.

INTERURBAN LINE IN THIS COUNTRY

JOHN M. FARRA OF LANCASTER BEGINS BOOSTING FOR A BIG THING

(W. P. Walton in Lexington Herald)
Mr. John M. Farra of Lancaster who has done a great deal to bring his town and section into the prominence it deserves, was here yesterday to meet some of the officials of the new Kentucky Securities Company which is to take over all the street car and interurban lines in this section. In order to lay before them the advantages that would accrue both to the company and in the section which would be served by extending the interurban line from Nicholasville to Lancaster and ultimately to Stanford and Danville.

The road is already completed to Nicholasville, and the distance from there to Lancaster is some twenty-two miles through a country as rich as any in the state. True the Kentucky river would have to be crossed, but those who have traveled the pike down the gentle decline to the river on the side will recall how easy a crossing is over it, while on the other side is a valley with moderate grades to Bryansville, thence along a comparatively level plateau to Lancaster.

The road will open up a practically new territory filled with thirty people who are anxious for an outlet. Its route from Nicholasville to Lancaster are a number of small towns. A Camp Nelson there is a large federal cemetery near which a town has sprung up, while at Camp Nelson on the river is one of the largest dairies in the country. The latter has to rely entirely on the river for transportation of its output and immense amounts of supplies necessary to run the establishment. Then there are Bryansville, Camp Dick Robinson and other smaller towns and villages.

At present, although Lancaster is but thirty-four miles from Lexington it requires a railroad ride of ninety miles and many changes of trains to reach here, besides consuming more than three hours of time. It is really easier for the people of that thriving and progressive little city to go to Cincinnati to do their shopping, while they would be glad to ride if they could.

In order to obtain the road Mr. Farra tells us that the people of Lancaster and Garrard county would contribute liberally to its construction. From what we know of the route and the people it would serve, we are sure that the Securities Company would find it profitable to investigate. It could be built cheaper than the Lexington Versailles to Frankfort and would open up just a desirable section. It would undoubtedly be a great thing for Lexington while proving of inestimable value to Lancaster as well as Stanford, which so far as reaching this part of the state, is in the same condition as Lancaster, besides proving a paying investment both in passenger and freight traffic.

Tom Hurley VETERAN ENGINEER GOES OUT ON HIS LAST RUN

Tom Hurley, one of the best known and most popular engineers on the L. & N., died at a hospital in Louisville Wednesday after a short illness of stomach trouble. The remains passed through here Thursday morning en route to Richmond, where the interment took place this afternoon. Engineer Hurley lived in Stanford for many years, when he ran on this division of the L. & N., and was known and liked by everyone. He married Miss Nan McCarty, a niece of Sheriff W. L. McCarty and is survived by her and three children.

For several years lately he had been running on the passenger train from Louisville to Greensburg, and he was just as popular on that division as he had been on this. A great many friends here will mourn that good old Tom Hurley is no more.

DEMOCRATIC TICKET.
For Circuit Judge.
HON. CHARLES A. HARDIN,
of Mercer County

The Louisville Herald comes out in a double column leader in favor of the initiative, referendum and recall. We want it to distinctly understand we "saw them first". The Interior Journal has been advocating these progressive democratic measures for 10, these units moons, and we welcome the Herald into the ranks even though it is a republican sheet. But like its many fellow insurgents in the S. O. P. it is simply appropriating democratic doctrines.

The Bowling Green papers are squabbling over which has the largest circulation and our old time friend the Leigh seems to have all the logic on his side. Anyway there are mighty few papers which are better gotten up, rarer looking or have more fat advertising than his Messenger. And though we do not always agree with some of his editorial thoughts, Editor Ed always makes whatever he says mighty readable.

It's up to Mayor Florence to demand a recount of Stanford's census. There are certainly more than 1500 people in town. In the event a census department official is sent to look over the situation here, we suggest he come some court day. There were at least 5,000 people in town last Monday.

The Danville Advocate is bragging that Danville has a larger population than both Stanford and Harrodsburg combined. Yet we'll wager that Stanford's newspaper has a larger subscription list than both of Danville's papers combined.

Well we have 25 more people in Stanford than our good neighbor Lancaster. That's something to be thankful for.

As that Stanford is the best and biggest little city in the world.

Spoonamore-Rivers

PROMINENT YOUNG DOCTOR WEDS HEDGEVILLE BELLE

The nuptial ceremony that made two hearts beat as one was held by the Rev. Dr. Powell of the First Christian church, of Louisville, at high noon Saturday April 8, in the spacious parlors of the Seelbach Hotel when he pronounced Miss Ada Spoonamore, of Hedgeville, and Dr. Leslie Rivers, of Indianapolis, man and wife. The bride was gowned in white satin with hat and gloves to match. Her trousseau was elegant and extensive and would fill the ideal dreams of the most optimistic bride. That she is a beautiful and talented bride goes without saying and she goes without saying and she numbers her friends by her acquaintances.

This wedding was the culmination of a little romance that is too long for recital here but not unlike the legend of the Indian legend when he went on a visit to the land of the Dakotas, Dr. Rivers tarried long and yet longer at the home of his lady love.

Dr. Rivers frequently donned those magic moccasins with which he could measure a mile at each step and made many return visits to the beautiful blue-eyed beauty in the far famed bluegrass valleys of the historic commonwealth of Kentucky.

After a sumptuous repast the bridegroom and his traveling mate with hat and gloves to match and they departed for Chicago and other places of interest along Lake Michigan. After a few days' sojourn they will be at home to their many friends in Indianapolis after which they will go to the famous City to live where Dr. Rivers will practice the profession of his choice.

The wedding was witnessed by only a few friends and relatives. The bride's maid was Miss Lucy Spoonamore, a cousin and constant companion of the bride. The best man was Dr. J. L. Dore of Louisville. This happy young couple start wedded life with best wishes of a host of friends and admirers.

JOHN MORTON FLORENCE A Good Life Ended.

On the evening of March 8 1911, John Morton Florence was called from our midst into the presence of Him whom not having seen he loved. He was 57 years of age and a native of this state, born in Harrison county where he spent most of his life until about 7 years ago he purchased a home in Lincoln county and moved to it in order to benefit his health, which became very good until about 4 years ago when he contracted a severe cold which went into tuberculosis, which was the principal cause of his death. His faith in the Lord was very strong. He said, "My Why is Clear". He prayed that he would not choke to death, and when the end came he gave thanks that had watched over him his lands and peacefully passed away as one going to sleep. He had been a member of the Christian church for several years. Also was a member of the Masonic order for several years. He was willing and ready at all times to help anyone in need. He was a good neighbor and a kind and loving husband and father. He was survived by his wife formerly Miss Nettie Henry and 7 children namely: Elbert of Fayette, Wesley, of Bourbon, Joseph, of Harrison, Otis, George, Kate, Anna, of Lincoln county. Burial at Buffalo cemetery, at Stanford March 10, at three P. M., services conducted at the grave by Rev. J. B. Jones, minister of the Baptist church and by the Masonic order.

EDNA B. SEARS.

In memory of Edna B. Sears, who died March 13, 1911 at the home of her uncle O. C. Smith in Nicholas county. How feeble are words to carry consolation to hearts bereaved of a beloved daughter. A tender clinging vine, interwoven in sweet memories, from the hour the angel first gave her to your home, a gentle spirit of light that flittered in and out like a gleam of sunshine. No one can fill her place. In the vacant chair, no one will take her place in your hearts, dear parents and you would not have the void filled, even is you could. It will be a sacred thought in the years to come, to parents and friends, that she shed radiance in the home as long as she did. It will be a blessed recollection that she grew up to love and be loved by those who will ever so tenderly cherish her sweet and pure memory. A friend, Stella Wasson, Carlisle, Ky.

MRS. MARY ANDERSON.

Mrs. Mary Anderson, wife of Daniel Anderson died at her home near Otterbein Thursday evening April 6, 1911, after a short illness of a complication of troubles aged 67. She was a member of the Christian church and a regular attendant as long as her health would permit. She was a kind good neighbor, generous to all, and was loved by all who knew her. Her aged husband who survives her, her children and grandchildren have sustained an irreparable loss. Truly a good woman has gone to her reward and may those who weep realize that their loss is her eternal gain. After short services the remains were laid to rest in the old Episcopas burying ground to await the resurrection morn. On how sweet it will be in that beautiful land. So free from all sorrow and pain. With songs on our lips and with harp in our hands. To meet one another again.

BOWEN.

Mr. D. R. Moore, who lives near Bowden, had five head of cattle die recently of a strange disease. The symptoms of the ailment were a constant bawl, and an intense slavering, some of the victims being inclined to be vicious. The Junction City veterinary Dr. Helm, at a post-mortem examination, found their brains to be swollen in water and the lights were affected. The disease has completely stopped, after causing Mr. Moore a loss of over \$200.

William Carney left for Ashland, Ill., Geo. Staten is going to Indiana.

Mrs. Pat McGillr has returned from a visit to her son at Ashland, Ill., and is delighted with that state.

Mrs. Hozekiah Young of this place is very ill of dropsy.

Mrs. Slick Moore, who is one of the best women in the West End, has been quite ill of a complication of troubles. She has not been able to walk any for a year. She is much better at this writing.

FRIENDSHIPS.

Never cast aside your friends if by any possibility you can retain them. We are the weakest of spendthrifts if we let one drop off through inattention or let one push away another or if we hold aloof from one through petty jealousy or heedless slight.

DR. C. F. CREELIUS, CANDIDATE FOR THE DEMOCRATIC NOMINATION FOR SECRETARY OF STATE.

The above is a fairly good likeness of a popular young democrat, of Pendleton county, who is seeking the democratic nomination for Secretary of State in the primary on July 1. He was in Stanford Thursday meeting the democrats and made a very favorable impression on all.

Dr. Creelius has been a leader in the lower House of the Legislature for several sessions. He is the author of the famous Creelius tobacco law, which gave the tobacco growers the right to pool their crops. He also had a leading part in the framing of much progressive school legislation, and in fact, led the fight for a great many bills which mean better things for Kentucky.

**Good Liver
Remedy Free**

When you suffer from any form of
indigestion it is always well to take
something for the liver, as usually the
trouble lies there. If you are bilious,
have a bloaty feeling after eating, if
you belch, if your skin is yellowish
you may be sure it is liver trouble.

What you need is something to stir
up the liver, to arouse the gastric
juices so that they will aid in the di-
gestion of your food. A very good reme-
dy for this, and one highly recom-
mended by those who have used it, is
Dr. Caldwell's Syrup Pepsin, which you
can obtain of any druggist at fifty
cents or one dollar a bottle. But if you
have any doubt about its merits, and
would prefer to try it first, send your
address to Dr. Caldwell and he will
promptly send you a free sample bot-
tle.

Thousands of people first learned of
this remarkable cure for stomach, liver
and bowel troubles through a free sam-
ple. Mrs. Frank Lilly of Plainview, Ill.,
sent for one and it cured her and she
is open in saying that she will never
take pills or strong cathartics again.
No sick person can afford to
ignore a remedy so highly endorsed as
this. It is good for all the family from
infancy to old age, because it is mild,
free from griping and yet promptly ef-
fective. Furthermore, results are ab-
solutely guaranteed or money will be
refunded.

Dr. Caldwell does not feel that the
purchase of his remedy ends his obli-
gation. He has specialized in stomach,
liver and bowel diseases for over forty
years and will be pleased to give the
reader any advice on the subject free
of charge. All are welcome to write
him. Whether for the medical advice
or the free sample address him Dr.

been absent nor tardy in the last
three school terms. She is in the
seventh grade and getting along nicely
in all her studies, but is especially
bright in mathematics. All her school

Chadwick.

Mr. A. B. Baglin is having a nice
new seven room cottage built about a
mile out on the Stanford pike. Mr.
J. H. Anderson is doing the work. A
"Baby Sue" Whiteley, the wife of
Bill Whiteley, colored, died yesterday,
aged 72 after a short illness of gen-
eral debility. Born in slavery and be-
longed to the Foley family. Deceased
was a fine cook and nurse for sev-
eral years being constantly in demand. She
was well liked by all, both white and
colored and now that she is gone will
be missed badly. She was a member of
the Baptist church. Was buried by the
P. B. F., after funeral by Rev.
A. B. Chandler, colored.

Word received here last, Thursday
evening from Hes Lick stated that a
three-year-old daughter of Mr. and
Mrs. Henry Maxwell had been instan-
tly killed by a stack of lumber falling
down. The father of the child had
stacked the lumber up that morning
to dry, and the children were playing
under it when the wind toppled it
over. The little boy was injured but
not dangerously. The child was bur-
ied in Bethel church. Only two weeks
ago the Maxwells lost another child by
pneumonia. They have the sympathy
of every one.

Messrs. A. H. Knoakes and John
Moss are busy grading the road in
front of their farms. They are mak-
ing a good job of it. They do not
get any money for their work, but will
have the satisfaction of knowing that
live people live in these parts.

Discouraged

The expression occurs so many times in letters from
sick women, "I was completely discouraged." And there
is always a good reason for the discouragement. Years of
pain and suffering. Doctor after doctor tried in vain.
Medicines doing no lasting good. It is no wonder that
the women feel discouraged.

Thousands of these weak and sick women have found
health and courage regained as the result of the use of

Dr. Pierce's Favorite Prescription.

It establishes regularity, heals inflammation and ulceration,
and cures weakness.

**IT MAKES WEAK WOMEN STRONG
AND SICK WOMEN WELL.**

Refuse substitutes offered by unscrupulous druggists
for this reliable remedy.

Sick women are invited to consult by letter, free. All correspondence

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and
bowels. Sugar-coated, tiny granules, easy to take as candy.

Baking a Souffle.
A souffle should never be put into
a very hot oven. It crumbles over on top
before it has time to bake properly in-
side, and it is likely to fall as soon as it
comes from the oven. Bake it in a
moderate temperature and do not bake it
too fast.
